

How can I find out what Contact records show up on my Fixed Lists in the PastPerfect Lists & Labels screen?

Version 4.0

To find out which of your contacts show on the Fixed Lists in Lists & Labels, simply right click one time on the Fixed List that you want to know about. It will bring up a window with an explanation of which contact records should show on the list you selected.

If you have any questions, please contact our Support Office at (800)562-6080. Thank you for using PastPerfect!
